AM2 CENTRE IN ERITH

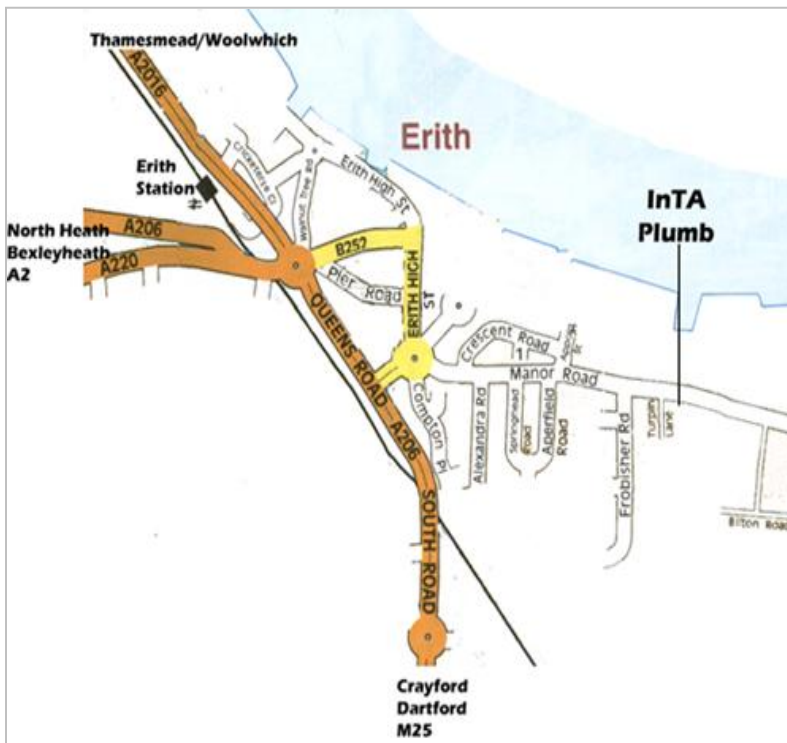

Our new AM2 assessment facility is located within the National Construction College in Erith at the heart of the Thames Gateway. The AM2 test facility has been approved by NET and is available for AM2 assessments and AM2 re-sit assessments for those operatives completing an electrotechnical apprenticeship.

On site there is a large subsidised canteen serving breakfasts, hot meals, snacks and there are ample free parking spaces.

LOCATION

Erith train station is only a 10 minute walk from the College. Trains run to either London Bridge via Woolwich or to Gravesend & Medway via Dartford.

Erith Town Centre is only a 5 minute walk and is served by a number of bus routes from Bexleyheath, Woolwich, Thamesmead, Sidcup and Dartford.

From the M25

- Take the motorway to junction 1a which is just south of the Dartford crossing.
- Follow Erith A206 from this junction.
- Pass over two roundabouts and take the second exit at the third.
- Pass under railway bridge and go straight over the next two roundabouts.
- Take the fourth exit at the next roundabout to continue on the A206 towards Erith.
- Remain on this dual carriageway, go over a roundabout and at the next set of traffic lights turn right into Avenue Road (McDonalds on corner) and right again at a mini roundabout into Manor Road.

From Central London

- Follow signs for the Blackwall Tunnel.
- Pass under the Thames and join the A102(M).
- Exit for Woolwich A206.
- Take the A206 through Woolwich to enter a one way system at Thamesmead.
- Exit onto the A2016 dual carriageway which terminates at Erith.
- Go straight over the 'Fish' roundabout and take next left at the traffic lights into Avenue Road (McDonalds on corner) and right again at a mini roundabout into Manor Road.
